

Things you need to know about the Fresno Mission!

For over 70 years the Mission has been serving the physical and spiritual needs of our area's destitute. Initially, the Mission worked only with Skid Row alcoholics and transient farm laborers. As time passed, the Mission has developed into the multipurpose organization that it is today. We currently reach out to not only the homeless, but also those who are drug and alcohol dependent, impoverished families, neglected and abused children, single transient adults, and other displaced persons in the greater Fresno County area.

Services & Programs

24-Hour Emergency Services - for men, women, and families, including:
Case Management, Sobering Center, Warming Center, Respite Care, Community Response Team (24-Hour Mobile Unit), Food Services, and Chapel Services

Transforming Life Communities:
The Academy - for men
Rescue the Children - for women and women with children

Restaurants, Service Groups, Churches,
Businesses, or Organizations ... partner with the

FRESNO MISSION

to serve those in need.

Bring-A-Meal **BAM!**

Our Bring-A-Meal (BAM) program serves meals for Mission guests while providing a life-changing service opportunity for community groups.

We partner with groups of all sizes, including churches, restaurants, families, and corporations. Organize groups of 5 to 10 volunteers to bring and serve a meal. Special arrangements must be made with the **BAM Coordinator** for volunteer groups that consist of over 10 people. Our trained kitchen staff is available to help you plan and cook your meal.

Experience the Gift:

"Give back to our community and feel good helping." Kateesha - Priceless Social Club

"We came thinking it was such a small thing we could do... letting people experience just a taste of the Big Fresno Fair with popcorn and corn dogs. What we found were polite, grateful people who made us feel so blessed. The benefit was interacting with the people we served. We look forward to returning each year just to see their faces!"

Mark - Yosemite Concessions

1 2 3

1. Choose the specific meal you'd like to serve (Breakfast, lunch, or dinner for 100 to 400 people).
2. Plan, purchase the food, prepare and serve the meal in one of our kitchen facilities (Downtown or at Rescue the Children).
3. Enjoy this delicious meal with our guests or program participants!

What's Your Specialty?

Our guests love special meals themed for a holiday or just for fun! Put on a luau or Mexican fiesta, offer to host a good old-fashioned southern BBQ, or bring in music and dessert. Your group can design the entire dining experience for our guests.
