

# TRANSFORMATION HAPPENS THROUGH RELATIONSHIP. RELATIONSHIPS ARE BUILT THROUGH COMMUNITY.

## Get Involved.

### Volunteer

One way to get involved and partner with us is through volunteering. As you volunteer, you will have the opportunity to be a part of our transformative community. Volunteers are an integral partner in order to assist us in serving others.

Please visit [fresnomission.org/get-involved](http://fresnomission.org/get-involved) for more information on the specific volunteer opportunities and to sign-up for a Volunteer Orientation.

To get involved or to schedule a tour contact Desmond Camacho

Email: [Volunteers@fresnomission.org](mailto:Volunteers@fresnomission.org)

Phone: 559.240.6072

### Donate

All of our ministry income comes from our community. It's gifts from people like you that make change possible in the lives of the men, women, and children we serve. Every gift, big or small, will change lives.

However God leads you to give, please know that we are very grateful for any gift, and we will be good stewards of what you provide to us. You may donate online securely by using your debit or credit card to give your gift.

Donate at: [www.fresnomission.org](http://www.fresnomission.org)

"THERE IS NO

LONGER A FACE OF HOMLESSNESS BUT IT'S AVERAGE SHOE SIZE IS MUCH SMALLER."

-Matt Dildine CEO

## RESCUE.

### Food Services

We receive food donations from local businesses and individuals who generously give because they feel compassion for our community. These donations allow us to feed our guests. Breakfast and dinner are also served to anyone in need.

### Community Care

We offer services for those in need of emergency care. They are helped to identify their best next steps to move forward.

### Go Hope Mobile App

An innovative mobile app to connect those in need to an on-demand source for help. This app allows organizations, churches and individuals in community outreach to contact us for help 24/7 with just the tap of a button.

Coming 2021!

## RESTORE.

### Family Center

Nearly 55% of the people who walk through our "emergency care" doors are women with children in need of food, shelter, and basic necessities. These staggering statistics helped frame the foundation of the Fresno Mission Family Center.

This safe haven offers families a community centered environment based on radical hospitality, love, and compassion. Fresno Mission case managers connect families to local resources, organizations, and housing entities. Some volunteer positions are mentors, group activity leaders, and homework helpers for those staying in the Family Center.

### Rescue the Children

Women or women with children who are at-risk, abused, homeless or previously incarcerated are given a protected, secure environment providing long-term services.

The community provides women and their children a place to heal, learn and grow. Women who feel trapped in a dysfunctional setting, can find a place of respite. We offer hope for the future.

### Men's Academy

The Academy provides the opportunity for restoration and wholeness to men whose lives have been broken by homelessness, addiction, physical or mental abuse, or incarcerated.

This 18-month program (12 months residential and 6 months aftercare) provides rehabilitation, work-therapy, and career development for men.

## EMPOWER.

### Mission Thrift & Motors

One of the functions of Mission Thrift is vocational training and entry-level staff positions for those enrolled and graduating from our residential programs.

We are grateful for our many donors and customers who help us be an absolute standout store in the community. Both Mission Thrift and Mission Motors are key to providing funding for the ministry of the Fresno Mission.

### City Center Coming Soon!

Through City Center we will provide a vast array of services to take those we serve to a place where they can flourish on their own. We are developing a strategic plan and more details will be released in the near future.
